KENTUCKY WOMAN DROPS SUIT

Breach of Promise Action
Withdrawn When She
Leaves Evansville

Evansville, Ind., Dec. 17—
With the departure of Mrs. Jean
ette R. Brady, who conducted a
shop for women at 1018 West
Franklin Street, in this city, a
suit for \$10,000 for alleged breach
of promise has been dismissed in
the Superior Court here. Chas.
Koehler, president of the Schuler
Implement Company here, was
defendant in the suit, which was
filed about a year ago. Mrs.
Brady alleged Koehler became
engaged to her Dec. 15, 1915, and
that he promised to marry her on
Jan. 24, 1916. The marriage did
not take place, as Koehler mar-
ried another woman here.
Mrs. Brady further claimed
Koehler had paid for her millin-
ery shop and had paid her atten-
tions until she promised to marry
him.
Mrs. Brady's attorneys appar-
ed in the Superior Court here
yesterday and asked that the suit
against Koehler be dis-mitted
which was done.
Mr. Koehler denies any settle-
ment of the case was made out of
court. "She has left town,"
said Koehler, "there was no need
of making a settlement."
It is said Mrs. Brady has gone
to Junction City, Mo. She came
here a year ago from Madison-
ville, Ky. While at Madison-
ville she obtained a divorce from
her husband, a newspaperman,
who worked at one time in Cin-
cinnati and is said to have gone
to Houston, Texas.

BOARD MEETS WEDNESDAY

The board of equalization will
meet at the city hall Dec. 20 at
2 p. m., to hear any complaints
that may come before said board

RAISING FUND FOR CITY'S NEEDY

Cheer and Comfort Will be
Brought to Poor of Earl-
ington Xmas

The committees of the various
churches are hard at work trying
to raise a sufficient sum to insure
that every family in the city has
some of the good things of life
this Ymas. The soliciting com-
mittee composed of the follow-
ing members will call on all the
business houses Thursday: Mes-
dames Dick Meacham, Noble
Clark, Robert Fenwick, Geo. M.
Armstrong, Misses Cashman and
Ethel Evans. These ladies will
accept donations of money, food
and coal or clothing and will see
it is placed where needed. A
committee composed of the fol-
lowing will be at the city hall
Saturday morning to receive and
take care of all donations for the
poor: Prof. C. E. Dudley, Jas.
R. Rash, Mesdames Jno. Long,
Dick Meacham, Robert Fenwick
and Mes Ethel Evans.

Arrangements have been made
to send a conveyance to any home
or store in the city for the offer-
ings and anyone having clothing,
food or toys of any kind to give
may call any member of the above
committee who will see that the
donation is called for.

Another committee composed
of the following will arrange for
the distribution of the articles,
it being composed of Misses
Gladys Walker, Mary Mothers-
head, Elizabeth Kemp, Cash-
man, Mrs. Jno. Long, Bernard
Marphey and Frank Withers.

Remember anything that is
usable will be thankfully re-
ceived. Look around your own
happy home and see if you can
not find some article of clothing,
or a pair of shoes that will keep
some needy child warm and com-
fortable this Xmas or some toy
that will bring joy to the heart
of some child that Old Santa
may forget, and also remember
"It is more blessed to give than
to receive."

Bring or send what you have
to the city hall not later than 2
o'clock Saturday afternoon so it
can be distributed before night.

stuffs. Hell wouldn't have him.

WILL RECEIVE CASH BONUS

Extra Pay to be Given All
Receiving Less Than
\$3,000 a Year

The announcement was made last
week by T. N. Vail, president of the
American Telephone and Telegraph
Co., of the adoption of the plan to
pay certain classes of employees of
the various companies comprising
the Bell system a cash bonus to aid
them in meeting abnormal conditions.
In Kentucky something like \$45,000
will be distributed among the em-
ployees.

The plan provides for three weeks'
extra pay for employees who have
been in the service one year or more.
For those who have been with the
company between three months and
a year two weeks' extra pay will be
given. This applies to all employees
receiving less than \$3,000 a year.

The employees of the Western
Union Telegraph Co., will also share
in the bonus.

Jack Stokes in Serious Condition

The many friends of Engineer
Jack Stokes will be sorry to learn he
is having serious trouble with his
head. He has been confined to his
bed for several days and was re-
moved Monday to the Madisonville
hospital. It is more than likely an
operation will have to be performed
before the trouble is removed.

CO. G MAY GET HOME NEXT MONTH

Believed Local Soldiers Will
Entrain After Patrol
Duty is Finished

Advices contained in letters from
members of Co. G now doing patrol
duty on the border, lead to the be-
lief that they will be ordered home as
soon as fifteen days' assignment for
regiments composing the Kentucky
brigade in patrolling the border is fin-
ished.

It is believed they will be ordered
home not later than January 15 th.

SMALL BLAZE SOON OUT

The servants' house in the rear of
Nollie Umstead's residence caught
on fire today about 11 o'clock. An
alarm was promptly turned in and
the Earlington fire department just as
promptly rushed to the scene and ex-
tinguished the fire before much dam-
age was done.

Fan House Destroyed

The fan house of the Highland
coal mines, near Providence, owned
by the Ruckman Coal Co., was de-
stroyed by fire last Friday night.
One report has it that it was the work
of incendiaries, while another is that
the building caught on fire while an
attempt was being made to thaw out
some frozen pipes.

week and have prepared for the rush.

BOOK THAT SHOULD BE

in the Hands of Every Mine
Superintendent in the
Country

Washington, Dec. 16.—In its
recently issued hand-book on
Rescue and Recovery Operation
Mines after Fires and Explosions,
which should be in the
hands of every mine superintendent
and mine foreman in the
country, the Bureau of Mines,
Department of the Interior, offers
the following important rules
which should be observed at a
mine immediately following
disaster:

Summon assistance from the
nearest mines.
Notify the State inspector and
mine crews.
Organize your forces and as-
sign duties.

Look after the ventilating fan
and repair it immediately if it
has been damaged.

Place guards at all entrances
to keep a record of all happen-
ings.

Procure permissible safety
lamps and electric hand lamps
for persons who are to explore
mine.

Shut off electric power on the
alley, power, and light wires
entering the mine except those
needed for operating the fan.

Procure brattice material or
other material for immediate delivery.
Have a crew of men enter open-
ings that have intake currents of
air and look for men who may be
injured or overcome near the en-
trance.

Call as many doctors as are
available.

Procure portable fire extin-
guishers and have them ready
for immediate use in case a fire
is discovered.

After a disaster in a shaft mine,
get the hoisting appliances in the
downcast compartment in con-
dition for use by the explorers.
Keep on hand at all times a
dozen safety lamps in good con-
dition for emergency use.

DON'T DELAY

Some Earlinton People Have Learned
That Neglect is Dangerous

The slightest symptom of kidney
trouble is far too serious to be over-
looked. It's the small, neglected
troubles that so often lead to serious
kidney ailments. That pain in the
"small" of your back; that urinary
irregularity; those headaches and
dizzy spells; that weak, weary, worn
out feeling, may be nature's warning
of kidney weakness. Why risk your
life by neglecting these symptoms?
Reach the cause of the trouble while
there yet is time—begin treating your
kidneys at once with a tried and
proven kidney remedy. No need to
experiment—Doan's Kidney Pills
have been successfully used in
thousands of cases of kidney trouble
for over 50 years. Doan's Kidney
Pills are used and recommended
throughout the civilized world.
Convincing testimony follows:

Mrs. E. B. Allen, W. Main St.,
Seabree, Ky., says: I had sharp
twinges across my loins. One box
of Doan's Kidney Pills cured me and
made my kidneys normal. I highly
recommend this medicine to anyone
suffering from kidney trouble, as it
lives up to all the claims made for
it.

Price 50c. at all dealers. Don't
simply ask for a kidney remedy—get

District Likely To Go Dry

Bills for prohibition in the
District of Columbia; immigra-
tion with the literary test includ-
ed and a corrupt practices measure,
are occupying the immediate at-
tention of the United States Sen-
ate. The prohibition bill is be-
ing urged at every opportunity
by Senator Sheppard, who is lead-
ing the fight for the Democratic
and Senator Kenyon for the R-
publicans. Its passage by the
Senate this winter is regarded as
very probable. A poll of the two
branches of Congress develops the
fact, so it is claimed, that the
bill providing for limited prohibi-
tion in the District of Columbia
will be passed if it can be brought
to a vote. There is a small ma-
jority pledged to the prohibition
measure in both branches of Con-
gress but there may be enough
members who would prefer not
to go on record, to prevent the
measure from coming to a final
vote. The District of Columbia
prohibition bill aims to close the
saloons, but it will permit the
use of liquor at banquets, and in
private houses. Great care has
been taken by the prohibition
advocates to do nothing which
will deprive foreigners in the
Diplomatic Service from getting
all the booze they want for their
own establishments or served at
the social functions which they
are accustomed to attend.

Nervy Steeplejack Wears Merry "Tanlac Smile" at Work In Clouds

Beams on Dizzy Crowd From
Skyscraper Flagpole.

CREDITS TONIC FOR HEALTH

Edgar Williams, With Nerves Like
Steel, Declares That If It Wasn't For
Tanlac He'd Not Be Able to Go About
His Hazardous Task With the Ease
and Composure He Now Enjoys.

Watch Edgar Williams, steeplejack,
perched on a slim flagpole atop a huge
skyscraper, far above the bustling
street throngs.
There is a glint of diamond clear-
ness in his gaze; every move he makes
is swift, sure, unflinching. His man-
ner is as unconcerned as that of a
man painting a sidewalk—save that he
always wears a cheery, rippling smile.

Smile of Perfect Health.
It's the "Tanlac smile," the same
smile that thousands of people are now
learning daily, after months and years
of worries from frayed-out nerves,
ruined digestion and thinned red blood.

ALPINE PEAKS HAVE MORE TERRORS FOR THE CHAMOIS THAN
HAVE SKYSCRAPER CORNICES OR GIANT SMOKESTACKS FOR
THIS DARING HUMAN FLY.

It's the only real and enduring smile—
the smile of perfect health, vitality
and strength—yet it is the kind of
smile that everybody can have and
keep all the time.

Widely Known For Daring.
Williams is a wonderful steeplejack.
He lives in Cincinnati at 262 Ridge-
way street, yet his reputation for daring
and skillful work at dizzy heights is
nation wide. He likes his work, and
the more difficult it is to reach the
"job," as he nonchalantly calls it, the
better. Ask him why he feels as
much at home dangling high in the
air as he does near his own cozy fire-
side, and he answers simply, "Perfect
health." He will tell you also that if
it were not for Tanlac he would not
be able to go about his hazardous oc-
cupation with the ease and composure
he now enjoys.

Tanlac Assures Safety.
Here's what he says:
"Tanlac is a boon to me and assures

"TANLAC
PUT ME
UP HERE,"
SAYS
STEEPLE-
JACK
WILLIAMS.
"IT GIVES
ME STEADY
NERVES
AND
PERFECT
HEALTH."

me that for many years I shall be able
to follow my dangerous occupation
without the slightest fear of my nerves
failing me.

"If I have not always felt at home
suspended high in mid-air I do now.
The prospect of a difficult job does not
in the least worry me. I prepare for
it by taking Tanlac. A few days be-
fore an unusually hard bit of work I
tune up my system by taking Tanlac
regularly. It quiets my nerves and
puts my stomach and general physique
into perfect athletic shape.

Wife Also Praises It.
"My wife also declares Tanlac to be
the finest medicine in the world for
run-down, nervous women," he says.
"For a long period she was irritable,
nervous and restless. Headaches and
general debility had weakened her.
Tanlac has restored her and to-day
she enjoys the vitality and ambition
that comes only from a healthy body
and mind."

Tanlac may be obtained in the fol-
lowing nearby towns: EARL-
INGTON, Geo. King & Sons; MAD-
ISONVILLE, Gardiner & Bowmer;
MORTONS GAP, B. T. Robinson;
NORTONVILLE, City Drug Store;

The Pulpit and Press

A preacher came to a newspa-
man in this way:
"You editors do not tell the
truth. If you did you could not
live; your newspapers would be
a failure."

The editor replied: "You are
right," and the minister who will
at all times and under all circum-
stances tell the whole truth about
his members, alive or dead, will
not occupy his pulpit more than
one Sunday, and then he will find
it necessary to leave town in a
hurry. The press and pulpit go
hand in hand with whitewash
brushes and pleasant words, mag-
nifying little virtues into big
ones. The pulpit, the pen and
the grave stone are the great
saint-making triumvirate."

And the great minister went
away looking very thoughtful.
While the editor turned to his
work and told of the surpassing
beauty of the bible.

Free Trip to the Inauguration

The inauguration of the Pres-
ident of the United States is with-
out doubt the most imposing
pageant held in the nation and
one that every American should
witness.

President Wilson's inaugura-
tion, March 5th, will be of par-
ticular interest to Southerners
owing to the fact that a South-
erner is again assuming the du-
ties of the presidency with the
endorsement of the nation and
Washington is arranging for the
largest crowd of any inauguration
in its history and the parade will
be most spectacular.

The Southern Woman's Maga-

tion a special party of repre-
sentative Southern ladies and it is
hoped every city and town in the
South will be represented.

This party will also visit New
York City before returning home.

will be borne by the Southern
Woman's Magazine in return for
a little service rendered.

Billy Show Here Thursday Night

The past season has developed an entirely new form of theatrical entertainment. It is nothing else than a musical farce. Some one conceived the idea of taking a brisk farce, bringing it up-to-date and interpolating numbers. The idea proved an immediate success. It is in this style of entertainment that Billy (S. angle) of Ford will come to the Temple Theater on Thur. Dec. 21 for one night only.

The offering is called Linger Linger Lucy being a lively farce,

with a laugh in every line and interspersed therein with no less than eighteen tuneful songs added for good measure. Billy is seen to the best possible advantage and is surrounded by an excellent company who sing and dance in a very acceptable manner, and a lady brass band and orchestra is carried with the Company. The band will parade and play a free concert on the streets at 4 P. M. and again in front of the Theater at 7:15 P. M.

Nervous Women

When the nervousness is caused by constipation, as is often the case, you will get quick relief by taking Chamberlain's Tablets. These tablets also improve the digestion. Obtainable everywhere.

Consider The Dog; He Worrieth Not, Neither Fretteth

Washington, Dec. 18.—The Public Health Service, which has been gathering statistics on nervous diseases and their tendency to shorten life today issued a bulletin against worrying.

"So far as is known," says the bulletin, "no bird ever tried to build more nests than its neighbor; no fox ever fretted because he had only one hole in which to hide; no squirrel ever died of anxiety lest he should not lay by enough nuts for two winters instead of one; and no dog ever lost any sleep over the fact that he did not have enough bones laid aside for his declining years."
